ERT Group to Deliver SAP® Business One to Small and Midsize Businesses

Boca Raton, FL September 17, 2007 – ERT Group today announced an agreement with SAP America, Inc. to deliver SAP® Business One to small and midsize businesses. An integrated, affordable business management solution designed specifically for small and midsize businesses, SAP Business One extends the benefits of SAP's business applications to a new and rapidly growing segment of customers. As an SAP Business One partner, ERT Group will provide businesses with the technology, business process and consulting knowledge to easily adopt successful, long-term business strategies.

ERT Group is responding to a growing need among small and midsize businesses struggling to gain and maintain competitive operating advantages. The partnership will provide software and consulting services to enable small and midsize businesses with limited resources and technology infrastructure to gain immediate benefits in better managing their businesses. Together, ERT Group and SAP will provide small and midsize businesses the ability to make smart IT decisions, improve future performance, and achieve long-term IT success with little financial or strategic risk.

"ERT Group has a strong reputation for developing and implementing leading business software across the country, said Dan Kraus, Vice President, SAP Business One, SAP Americas. We welcome the expertise that ERT Group will bring to the SAP Business One partner channel."

"SAP® Business One can make a positive impact on a company right from the start, and we are excited to be a part of a team that is well-positioned to help make that possible," said Michael Medipor, President, ERT Group.

Since 1999, ERT Group has been providing innovative and cost-effective business software and technology solutions to help companies simplify processes, boost efficiency, increase profitability and establish a solid foundation for long-term success. Headquartered in Boca Raton, Florida, with offices located throughout the U.S. and internationally, ERT Group provides services to businesses and organizations in multiple industries including distribution, manufacturing, financial services, professional services, and not-for-profit. ERT Group is a Microsoft Gold Certified Partner and a SAP Channel Partner. For more information, visit www.ertgroup.com.
