**ERT Group Welcomes Bruce Cowart as our new Manager – Program Management & Services Delivery**

**Fort Lauderdale, FL.** – July 11, 2010 – ERT Group names Bruce Cowart as the new Program and Services Delivery Manager, Bruce brings over 15 years of experience to ERT Group, Inc. we are very pleased to welcome him to our team.

Bruce is a senior IT project manager with PMP certification and over 15 years of proven success in application development, CRM, Business Intelligence, ERP, and in leading cross functional project teams. Under his strong leadership ERT Group strives to achieve and maintain excellence and quality in all project plans, cost management, and deliverables scheduling.

*“Bruce Cowart’s prior experience in enterprise and fortune 500 accounts is going to be very valuable, specially in putting in processes and service delivery framework for our clients, I am please to have him onboard, I think is going to be a real asset to our organizations and the success of our clients ”* said Michael Medipor, president of ERT Group.

Before joining ERT Group, Bruce Cowart was a Program Manager – Contractor at DHL Latin America Telecoms Optimization in Plantation, Florida, where he as a senior consultant, successfully controlled integrated project plans for country IT managers for development activities as well as served as primary interface to HQ executive sponsors.

Prior to DHL, among other companies, Bruce worked for Verizon International Operations in Dallas, Texas as a Senior Consultant – Marketing Systems, Information Technology.

Mr. Cowart has an MBA degree from Instituto de Empresas in Madrid, Spain and has been a Certified Project Manager Professional (PMP) since 2001.

ERT Group will benefit greatly from this new hire due to Bruce’s experience in the technology business development, technical understanding of our applications, his facilitation in the regular team activities and his day-to-day client interaction. We are pleased to have Bruce Cowart on board, and look forward to a prosperous future with him.
